The Sims 4 has come out with several awesome expansion packs A personal favorite is The Sims 4 Get to Work! Expansion pack, which allows you to accompany your Sim to their job! Get to Work is the first official expansion pack for The Sims 4! Official game description: "In The Sims 4 Get to Work, you can take control of your Sims' every action while they're on the job and determine whether they spend their days saving lives as a daring doctor, solving crimes as a fearless detective, []. On the downside, even veteran Sims fans may get a little confused in one or two of these new career paths, which don't always include easy-to-follow instructions.. Here players can either attempt to don the role of good cop, or really let those negative moodlets flow and scare the suspect into a confession.. The scientist career path is certainly the strangest out of each choice, which will leave players bustling over a variety of tasks and working on unique projects.. The Detective Career Path is probably the simplest experience the game offers, with players gathering facile clues at a crime scene and analyzing the evidence down at the police station.. The Medical career invites players into the hospital, where they start looking after patients and performing routine analysis and eventually go on to identify sicknesses and deliver babies. 34bbb28f04 [Acceptable Use Policy Nsfnet](#)
